Charitable Healthcare Network

Who We Are

Charitable Healthcare Network is a 501(c)3 non-profit organization. We do not provide direct health care services on-site but support those who do and can provide a referral to a health clinic. Free clinic services vary but may include: primary care, prescription assistance, dental, vision, behavioral health, and other specialties.

Using cost-effective strategies, such as in-kind services and donations of health care resources and time, free clinics provide for the health care needs of their patients. These strategies mean that every dollar invested in free clinics brings nearly \$10.00 in care for patients. Free clinics provide access to care for many who find themselves temporarily unemployed or unable to obtain employer-based health insurance.

2023 Safety-Net Symposium

Our clinics provide life saving health care to the uninsured, underinsured, unemployed and any Ohioan who is in need!

Our 54 member clinics have 72 sites and serve in **69 counties** across Ohio.

\$1 donated provides **\$10.00 worth of care!**

In 2021, clinics provided over **134,040 patient visits.**

In 2021, volunteers provided over **175,435 volunteer hours.**

In 2021, clinics provided over **\$180 million dollars worth of care.**

In 2021, clinics prescribed and provided over **342,007 prescriptions, lab tests, and diagnostic screenings!**

Each year, Charitable Healthcare Network holds its Safety-Net Symposium, the only regional conference of its kind geared specifically to the providers of charitable healthcare.

With an emphasis on education and resource sharing, our attendees leave feeling motivated, engaged, and ready to return to their communities to better serve those in need. In 2022, we safely held our annual conference in person. We welcomed our diverse membership of 52 free and charitable clinics, pharmacies, and student-run free clinics for 2 days of programming and networking.

By supporting Charitable Healthcare Networks' annual symposium through sponsorship or being an exhibitor, your company will have an excellent opportunity to share your product offerings with our attendees from all over the state of Ohio.

We hope you will consider becoming a sponsor or exhibitor at our annual symposium this April!
