### If your community is still participating in Trick or Treat:

- **Wear a Mask** and any other PPE to keep you safe and comfortable
- Keep your Trick or Treat group small

## Education Opportunities:

### Webinar: On the Implications of Trump's Executive Order on Equity Training

**TOMORROW (10/29) from 2PM-3PM EST**

Tomorrow, the Independent Sector will host a webinar on the impact of President Trump's Executive Order on diversity and equity training for nonprofits that receive government funding.

**See their description below:**

"The Trump Administration recently released its Executive Order on "Combating Race and Sex Stereotyping" causing concern and confusion among nonprofit leaders who center racial equity in their missions, but also rely on government funding and grants to serve their communities. Join Independent Sector and legal experts from Sheppard Mullin for a special Monthly Policy Update focused on this key issue. In addition to our regular updates from Capitol Hill, we will provide an overview of the Executive Order, what its "ban on training and promotion of divisive ideologies" means, the implications for our organizations, and what to expect moving forward from the Department of Labor and other agencies."
