ABOUT CHN

About Charitable Healthcare Network

The Charitable Healthcare Network (CHN) is a 501(c)(3) nonprofit organization dedicated to strengthening Ohio's charitable healthcare safety net. While CHN does not provide direct healthcare services onsite, we support and empower the 58 free and charitable clinics across Ohio that deliver essential care to individuals who might otherwise go without.

The services provided by our network clinics are offered at no cost to patients and vary by community. Care may include primary care, dental, vision, behavioral health, prescription assistance, and other specialized services.

Together, CHN and our network clinics deliver critical access to healthcare for Ohioans who are uninsured, underinsured, or facing temporary hardship such as job loss or gaps in employer-based coverage.

SAFETY-NET SYMPOSIUM

2026 Safety-Net Symposium

APRIL 30, 2026 | 7:30 AM - 4:30 PM

RENAISSANCE COLUMBUS WESTERVILLE

Each year, the Charitable Healthcare Network hosts its Safety-Net Symposium—the only regional conference of its kind designed exclusively for providers of charitable healthcare. This unique event brings together our diverse membership of 58 free and charitable healthcare organizations across Ohio for two days of education, collaboration, and networking.

The Symposium empowers attendees to return to their communities motivated, informed, and equipped to better serve individuals and families in need of care.

The 2026 Symposium will begin on April 30, with participants engaging in a full day of educational sessions, networking opportunities, and collaborative learning.

By becoming a sponsor, your organization will gain meaningful visibility and the opportunity to share your products, services, and innovations directly with healthcare providers and leaders from across the state. Sponsorship of the Safety-Net Symposium demonstrates your commitment to advancing access to healthcare and supporting those who dedicate their lives to helping underserved communities.

We invite you to partner with us as a 2026 Symposium sponsor and join us in our mission to strengthen Ohio's charitable healthcare safety net.
